Documents, dremels and dictaphones -- Solid Waste District to host free paper shredding, electronics recycling, and tool collection on October 5

Garfield Heights, Ohio - Clear out the clutter, dust off those broken electronics, and gather up your stacks of old papers. The Cuyahoga County Solid Waste District is hosting a free Clutter Buster recycling event for all county residents on Saturday, October 5 from 10:00 a.m.-2:00 p.m. at its facility located at 4750 East 131 Street in Garfield Heights.

The District will be collecting small household appliances and personal electronic devices (working and non-working) for recycling plus working hand and power tools to benefit Habitat for Humanity. A paper shredding truck will be on-site to handle document destruction. A complete list of items that will be accepted at the Clutter Buster recycling event can be found at www.cuyahogaswd.org.

NO TELEVISIONS or large appliances will be accepted. Televisions (up to 32") can be recycled for free at any local Best Buy store.

Computers and electronics will be recycled by local non-profit organization RET3 job corp. Working tools will be donated to the Cleveland Habitat for Humanity. Paper shredding services will be provided by All Ohio Secure Shred.

The Solid Waste Management District is a public agency that works to promote environmentally-sustainable and economical solid waste management practices within the communities, institutions and businesses of Cuyahoga County.

For more information about this event or for more recycling information, visit www.cuyahogaswd.org or call (216) 443-3749.
